# Housing Options

## *Pioneer Lodges*

Our beautiful family resort is located across the lake from the main campsite. Rooms are air-conditioned/heated with a loft, oversized bathroom, and bunkbeds for 12 people. This is a nice option for families who bring along bicycles or who enjoy a little extra walking. There is an additional \$200 charge for these rooms because of their size and air-conditioning/heat. Our eight lodge cabins are recommended for larger families.

## *Lakeside & Timberside Cabins*

These center court rooms are located close to the Dining Hall, Chapel, Daily Grind coffee shop, and Rec Hall. Each room houses 6-8 people, and some include full or queen beds. These rooms are convenient for large families with small children. We

are happy to offer air conditioning in all of the center court cabins for an additional charge—\$75 per room/week for rooms with just bunk beds (sleeps 6-8) or \$100 per room/week for rooms with a queen/full bed and bunk beds (sleeps 6).

## *Heritage Inn*

This option has three floors with 60 available rooms and is located a short walk from the main activity area. Each room houses up to six people. Facilities include a private bathroom, public kitchen, and handicapped-accessible rooms (if requested).

## *RV/Tent Sites*

Contact the office for availability and reservations. Camp prices remain the same for this option.

# Activities

Activities include: two indoor gymnasiums, individual and family competitions and tournaments, escape rooms, hammock village, craft shop, snack shop, zipline, waterfront, coffee shop, climbing wall, mini-golf, basketball, volleyball, ping pong, Frisbee golf, laser tag, family challenge course, and much more!

# Youth Program

With these age-specific youth programs, we hope to make your camp experience great for the whole family!

## Nursery

Nursery is available for ages 0 to 2 years old, and is led by well-trained staff who have experience working with young children. The program is well managed with scheduled playtime, snack time, and age appropriate games and activities. Nursery meets during all morning sessions and evening services, and additional help with children is available throughout the week. For details, please see our Family Camp Coordinator.

## Toddlers

Toddler group is available for children 3 to 5 years old. Leaders have prepared age-appropriate Bible lessons, crafts, and activities, as well as scheduled games and snack time. This group meets during all morning sessions and evening services. Additional childcare is available throughout the week. Please see our Family Camp Coordinator for details.

## First-Third & Fourth-Sixth

These groups will meet together for most Bible lessons, crafts, games and snack times. Some activities may be divided by age depending on the size of the class. This group meets during all morning sessions and evening services.

## Teens

Teen group allows teens to connect with each other as well as the group leaders. The group will meet in the morning for challenges from God's word, singing, and games. Special teen-only activities may be held in the afternoons or evenings and will be announced throughout the week. Since this class only meets in the morning, it gives teens the opportunity to attend evening services with the adults.

## Northland Teen and Junior Camps

Join us this summer for challenging sessions, well-trained and friendly staff, action-packed free times, one-on-one mentoring, fun and new activities, great friendships, and delicious food!

Visit [northlandcamp.org](http://northlandcamp.org) for more details!

## Rent the Facilities

Do you need a place to host a special occasion (i.e., family reunions, school/church retreats or conferences, etc.)? Or maybe you want to go tent/RV camping. Then we invite you to consider renting our facility where you can enjoy the outdoors, beautiful and comfortable accommodations, and programming if needed, at an affordable price for large or small groups. Check out [northlandcamp.org](http://northlandcamp.org) for more information or to reserve your event.

## Mission/Ministry Trips

Northland Camp thrives when mission/ministry groups assist in special projects, unique services, and daily camp activities. Northland is seeking volunteers (individuals, couples, and families) for general and specialized work, like nurses, life guards, cooks, builders, etc., for short-and long-term volunteer services. In addition, we are asking for teams to serve at a week of camp and/or add a camp week to their mission/ministry trip. Contact [office@northlandcamp.org](mailto:office@northlandcamp.org) for more information.

# *Frequently Asked Questions*

## **Can families not familiar with Northland attend?**

Absolutely! Families seeking a family-friendly, Christian atmosphere are welcome to register. We have new families attend each year that then become regular camp attendees.

## **How structured is the family camp schedule?**

Because of the number of people participating in camp programs and events, we provide a detailed schedule so that we can be as organized as possible to serve our family campers. At the same time, our family campers are encouraged to participate in the weekly schedule to the extent they choose. Generally, each family uses the schedule as a guide rather than an obligation.

## **Who can attend family camp?**

Anyone! Of course, Mom and Dad bring the kids, but sometimes, it is just a single parent with the children, or grandparents who bring grandkids with them. Even widows and couples who no longer have any children with them have enjoyed the fellowship with other adults and the programs available to them.

## **Do families really have a good, solid vacation experience?**

Once you come, you will experience a vacation like no other. It is relaxing and helpful at the same time.

## **How many families can attend?**

It really depends on how many cabins are available. Generally speaking, as many as 100-125 families can attend family camp.

## **Isn't camp just for kids?**

Absolutely not! In fact, after coming to family camp, our adults cannot wait to return for other programs throughout the year. We write a completely different schedule and program for our adult groups which they thoroughly enjoy.

## **How does the cost of family camp differ from other vacation costs?**

While the price isn't the only measuring tool used to determine value, this family vacation is truly a great deal. The price includes staff services generally unavailable at other locations, housing for five days, delicious meals for every family member, expert family training from gifted speakers, daily access to the full facility, and you don't have to get in the car each day to decide what to do next. This is indeed a great package, and we doubt you can come close to matching it anywhere else, and when Mom is so happy with all the help she receives on this family camp vacation, she will return with her family year after year! Mom, that's a value like nothing else!

## *Mike Manor, Staff Evangelist*

Mike served on Northland's senior program and administrative camp staff from 1988 until 2002. He brought platform and organizational excellence and a heart to help the young people, church staff, and every guest. Mike has rejoined the summer ministry team to help provide the camping experience thousands of people have come to expect at Northland over the years. Mike will be on campus throughout the entire summer to host, encourage, and manage.
